## FORKLIFT/MEWPS TRAINING

We now offer private Forklift and MEWPS (aerial lifts) training held at your site. Companies that sign up today will receive a **free fall protection harness and lanyard**.

Class includes:

- 2-3 hour presentation **at your location**
- 20-30 minute assessment & instruction for each operator
- Aerial lift fall protection
- How to perform proper machine inspections
- How to assess jobsite hazards

Employers receive training records, test results & **laminated wallet cards** for their employees deemed to have met the standards requirements through observation & evaluation.

- **SAME CONTRACTORS TRAINING CONTRACTORS**
- **SAME FIRST CLASS SERVICE**
- **REAL TRAINING** FOR THOSE WHO WANT MORE THAN A POWERPOINT

**YOU'RE 50' IN THE AIR IN AN AERIAL LIFT AND IT STOPS WORKING.  
DO YOU KNOW WHAT TO DO?**

"Trainer was great! Gave me the confidence I could run these things."

"Organized and thorough. More than the yards do. Trainer was awesome!"

"Details of the hands on portion were simply unexpected & welcomed."
